## DISCLOSURES

It is a misdemeanor violation to begin operation without a valid Public Health Permit/License. The Public Health Permit/License will be issued by the Los Angeles County Department of Public Health Environmental Health Division (DPH-EH) Plan Check Program at the job site following final inspection and approval by all applicable agencies. Remodeled areas of an existing food facility/establishment must obtain a final inspection and approval from all applicable enforcement agencies prior to use.

Any future alteration, construction, building, renovation, repair, change of equipment, change of the operation of a food facility/establishment or change of menu may require plans to be submitted to the DPH-EH Plan Check Program. Additional approvals may be required from other enforcement agencies.

It is improper and illegal for any County officer, employee or inspector to solicit bribes, gifts or gratuities in connection with performing their official duties. Improper solicitations include requests for anything of value such as cash, discounts, free services, paid travel or entertainment, or tangible items such as food or beverages. Any attempt by a County employee to solicit bribes, gifts or gratuities for any reason should be reported immediately to either the County manager responsible for supervising the employee or the Fraud Hotline at (800) 544-6861 or [www.lacountyfraud.org](http://www.lacountyfraud.org). YOU MAY REMAIN ANONYMOUS

### Public Health Permit/License:

A separate fee is required for the Public Health Permit/License. A billing statement will be sent to the permit/license holder annually by the DPH-EH. The fee is required to be paid to perform or carry on, conduct or engage in any mobile food facility listed in Los Angeles County Code, Title 8, Section 8.04.720.

### State and Local Licenses and Permits:

Contact the State of California and your local city hall regarding additional license and permit requirements.

### Restrooms:

Customer may use restroom facilities if they are located in a customer area. Customers may not enter the food preparation area, food storage area, or the utensils washing /storage areas in order to access the restrooms. All food, utensils and equipment must be protected from contamination.

**Routine Inspection:** The DPH-EH conducts routine inspections of all food facilities in Los Angeles County. Following the issuance of your Public Health Permit by the Plan Check Program, an Environmental Health Specialist from your local district will conduct an inspection of your facility. If your Business is located in a city that has adopted the grading ordinance, the inspector will post a grade or score card at your facility. Grade / Score cards are not issued by the Plan Check Program.
